Glass: Woods Glass

## WRAPPING BUILDINGS TO MEET OUR CLIENTS WISHES SINCE 1973

**In 1986, Thermosash launched into the New Zealand market the first unitised curtainwall unit, this revolutionary concept was an innovation that today still offers faster installation of your building enclosure than other façade cladding system.**

Our locally manufactured world-class unitised curtainwall panels are adaptable to your design with practically unlimited design configurations and integration of materials, including factory fitted glass, integrated non-vision materials, insulation, integrated shade devices - plus so much more.

Specify the Thermosash range of Unitised™ curtainwall, commercial windows, shop fronts, sliding doors, bespoke external elements and seamless integration of seismic design - we believe it simply makes buildings better.

**Locally, innovating, testing, manufacturing and merrily wrapping façade systems since 1973.**
