

Thermosash
BUILDING ENVELOPE SOLUTIONS™

Project: 45 Queen Street, Auckland | Precinct Properties | Architect: Ignite Architects | Main Contractor: Argon Construction | Glass and Glazing: Woods Glass

YOUR VISION... OUR EXPERIENCE

Providing complex projects in prime locations for bluechip clients can make or break reputations. Make sure you choose a façade contractor with a commitment to innovation and a track record in delivery.

At Thermosash we engineer, independently test, manufacture, install and warranty - we also believe that those who specify, operate and occupy should have absolute peace of mind in their façade system.

Made right here - your New Zealand design and manufacture solution partner - since 1973.
