## YOUR VISION... OUR EXPERIENCE

**Specify a Thermosash Facade and you'll never have to compromise on how you want your building façade to look.**

Our extensive range of Unitised™ curtainwall, commercial windows, shop fronts, sliding doors and bespoke external elements, ensure a façade and glass solution to realise your vision. Not only do our facades make buildings look and perform better, but they speed up your enclosure programme, save you time and reduce your risk – it just makes more sense.

**Locally engineering, testing, manufacturing and installing visionary façade systems since 1973.**
